

Returpapper

Recovered paper

Som returpapper räknas kontorspapper, tidningar, reklamblad, broschyrer och annat finare papper. Insamlat returpapper skickas till pappersbruk och blir till nytt papper. Exempel på returpapper:

- Kontorspapper
- Tidningar & broschyrer
- Kataloger & reklam
- Kollegieblock
- Pocketböcker
- Omslagspapper

OBS 1! Dokument med känslig information ska hanteras som sekretessavfall.

OBS 2! Plastade/vaxade pappersförpackningar skall sorteras som pappersförpackningar.

OBS 3! Post-it lappar och kuvert skall sorteras som brännbart.

Recovered paper includes office paper, newspapers, magazines, brochures and other high quality paper. The recovered paper is sent to paper mills where it is turned into new paper. Examples of recovered paper:

- Office paper
- Newspapers and magazines
- Catalogues and adverts
- Notepads
- Paperback books
- Wrapping paper

N.B.1! Documents with confidential information should be handled as confidential waste.

N.B.2! Laminated paper is sorted as paper packaging.

N.B.3! Post-it notes and envelopes are sorted as combustible waste.
