

Prize for Internationalization in Teaching and Learning

The following questions are asked in the on-line nomination form:

Give a short description of the project (max 2000 characters).

In what way increases the activity the student's knowledge about global perspectives (max 1000 characters)?

Present examples on how the activity is innovative and sustainable (max 1000 characters).

Describe how the activity is of strategic importance for program or faculty (max 1000 characters).

Describe how the activity is substantial and many students are/will be engaged, directly or indirectly through teachers (max 1000 characters).

Please prepare your text in Word. Avoid working directly in the nomination form as not all text will be visible. You cannot save and exit to continue filling out later.
